

Dear \_\_\_\_\_,

This is Santa Claus!

I've heard good things about you!

As you listen to your parents, you have learned a lot of new things this year and you are getting better and better.

I also heard that you made a few jokes but the important thing is to learn something good from those experiences!

I want you to know that my team of reindeer, elves and Mrs. Christmas love you but also your parents and family.

We hope you enjoy the gifts received and last but not least, Merry Christmas!

 Ho, ho, ho!
