TOY MAKERS**

Dear \_\_\_\_\_ ,

Ho! Ho! Ho!

I've been making my list and checking it twice. And I was doubly pleased to see your name on the nice section—in bold letters at that! There was even a special note about how you were extra nice about sharing when your seatmate forgot her lunch at home. We hope you enjoy this little gift we prepared to show you how happy we are with all the kind acts you've done throughout the year.

Continue being kind, Milena! We're proud of you.

*Yours truly,*
