DEAR _____ ,

I was looking at my Nice list a while ago and I was so surprised to see your name. It's your first Christmas! I can't believe it.

Your parents wrote me a letter on your behalf and asked me to bring you presents on Christmas Eve. They said you love music and shapes so I'll take those as my cue on what I'll place under your tree. I hope you will like them.

You bring so much joy to your mom and dad. Mrs. Claus, my helpful elves, and I share in their happiness that you were born. We wish that you will always make it to my Nice list every year. Don't worry! We will teach you how you can be a good child to your parents and the people you will soon meet in your life. This world is a wonderful place made even more magical now that you are in it.

May the true spirit of this season be upon you and your family.
Merry Christmas!

SINCERELY,

Santa Claus
