

# Sent from Way Up North

**TO MY DEAREST**

---

**A stunning, professional letterhead is an essential communications tool for companies, brands, and individuals. It doesn't simply allow you to send memos and draft contracts, but can also be a reflection of your brand's identity.**

**It's easy to make a positive impression on clients by pairing choice visual elements with excellent content. Simply add your logo, use your brand colors, and design the page according to your business or profession. Do you want to be seen in a more formal and corporate manner or as someone who is creative and quirky? What's important is that you're consistent with your brand guidelines, which will determine the look and feel of all your materials.**

**WITH LOVE,  
Santa Claus**

If you wish to reply, write a letter and give it to Dad or Mom. He/she will send it to me!
